Welcome to the 2016 Summer Camp Guide!

It's that time of the year when we are itching to get out of the house and start enjoying warmer weather. With summer just a few months away, those warmer days are almost here, as are summer camps!

Just last summer, I (County Executive Kittleman) joined campers across the County, taking part in a variety of camps from basketball to badminton, to ultimate sports and cheer. (Please see the photos below.) I had a blast watching our young people get out and active and more importantly, have fun!

In this year's Camp Guide there are many activities to ensure your kids have an enjoyable summer, from enrichment and learning camps to adventure and outdoors camps, there's something for everyone.

So while you're dreaming of warmer weather consider taking advantage of the Early Bird special several of our camps offer parents. For those select camps, if you register by March 4 (phone and walk-in) or March 6 (online) you'll receive 10% off the listed price. So don't delay, register today as a number of our camps fill up quickly!

With such a wide selection of camps from which to choose, we hope you and your camper(s) are able to find a camp or two or more that sparks their interests and meets your family's needs. We look forward to seeing you at camp and wish you and your family a fun and memorable summer!

John R. Byrd
Department of Recreation & Parks Director

The Howard County Department of Recreation & Parks is dedicated to providing outstanding summer camps. To achieve this goal we place value on children by offering exciting camp experiences with an emphasis on safety, convenience and affordability. The Department is committed to providing a superior level of service while maintaining the highest level of safety standards possible. All Howard County Department of Recreation & Parks Camps abide by our camp standards. The standards include the following:

- No peanut or nut products are allowed in camp.
- All staff hired have been through a criminal background check.
- At least one camp staff member must be certified in CPR and First Aid.
- Staff are knowledgeable and well-trained.
- All passenger van drivers have taken a van driving training course.
- All camp directors are over 20 years old.
- Weekly fire and emergency drills are conducted.
- Camps maintain the established staffing ratios appropriate for each camp.
- Safety procedures are followed through a daily check-in and check-out of participants.
- Exceptional customer service is provided.

Early Bird

Receive a 10% discount when you register by 4:30 PM by phone or walk-in (by March 4) and by 11:59 PM online (by March 6).

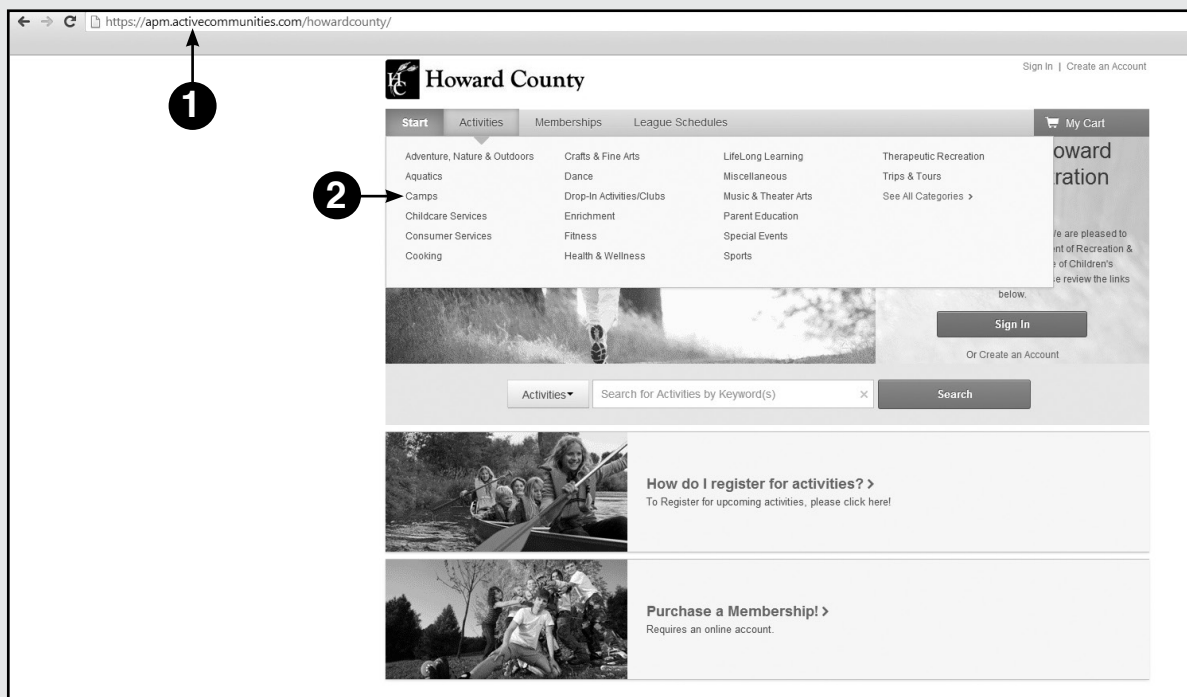

Early Bird discount is for any camp listed that includes the Early Bird icon.

Testimonial:

I enrolled my daughter in the Lil' Acorns camp and we loved it! We enjoy the nature center already and have been members since she could walk, it's one of her favorite places to go. The class was spectacular! The teachers were enthusiastic and kind, the class size was perfect and the activities were at a level that challenged the toddlers a bit but still held their attention. We definitely plan to enroll in other camps in the future. Thank you guys for providing such an awesome experience at camp and every other day we come to the center. - Lindsay Edmonds

River Explorers I Mini-Camp flickr

6-8 yrs / 3 days, start dates below / \$85

Some words of advice on a hot summer day: don't stay dry! Join us for fun times in these half-day adventures splashing through the Middle Patuxent River at Robinson Nature Center. We investigate streams, look for frogs and other river critters, create our own river crafts, and play in the water. Fee includes snacks each day. Bring a towel, bathing suit, closed-toe water shoes, and a change of clothes and shoes. Children must be able to change their own clothes. Add an optional supervised lunch with a movie in the NatureSphere planetarium for an extra treat. For a full camp day (9 AM to 4:30 PM), extend the fun by enrolling in a morning session of the *Animal Trackers Camp* (above). Registration/Info: 410-313-0400.

NEW! Sensory-Friendly

Nature Explorers Mini-Camp

6-8 yrs / 3 days starting Aug 17 / \$78

If your child benefits from sensory-friendly accommodations, this camp allows them to explore nature and make new discoveries in a way that best meets their needs. Your child traverses trails, explore a river, and discover native plants and animals in this special mini-camp. Create nature crafts, meet our live animals, see the stars in our planetarium, and investigate and play in our new Nature Place discovery zone. Fee includes snacks each day. Registration/Info: 410-313-0400.

NEW! Nature – The Next Generation

9-11 yrs / 3 days starting Jul 20 / \$159

Do you like to invent and create? Nature inspired people to design everything from swimsuits modeled off of sharkskin to paint that acts like the naturally dust-repellent lotus flower. Tackle challenges as you work with new and old friends to become the next generation of inventors. Each day, dream up and design your own solutions to some of the world's trickiest problems. Between challenges, collect inspiration for your ideas by enjoying time at the river, in the woods and in our new Nature Place discovery zone. Special field trip on Thursday to the SciTech lab in Baltimore (included in camp fee), where we put our skills to the test. Bring a non-perishable lunch (no nut products) and beverage. Registration/Info: 410-313-0400.

Surviving Off the Land Camp flickr

10-12 yrs / 4 days, start dates below / \$185

Do you think you have what it takes to survive off the land? This camp challenges you to survive at different points in history. Learn fire-starting skills or how to identify plants as Paleo-Indians would 10,000 years ago and track animals and build a shelter like the woodland Indian tribes. Make your own bread like the early pioneers. Use modern-day GPS units and compasses to navigate through a forest obstacle course and be the last camper standing. Bring a non-perishable lunch (no nut products) and beverage. (This camp is a prerequisite for the overnight *Surviving Off the Land Expedition*.) Registration/Info: 410-313-0400.

NEW! Nature's Mysteries Mini-Camp

8-11 yrs / 3 half-days, 1 night starting Jul 13 / \$189

Ease your way into the experience of sleepover camp with this mini-camp adventure. Each day, we solve a new mystery by piecing together clues found throughout the nature center and in the woods beyond. On Friday night, we solve the biggest mystery of all – and it requires some after-hours detective work! Sleep over on Friday night at the nature center and enjoy dinner over the campfire and breakfast in the morning. Bring a snack (no nut products) and beverage each day. Dinner on Friday and breakfast on Saturday are included in camp fee. Registration/Info: 410-313-0400.

Make your own chef masterpieces at The Chopping Block camp.

Chopped with Chef Alba

12-16 yrs / 1 wk, start dates below / \$275

Aspiring chefs, this camp is more advanced (prerequisite: must be able to demonstrate knife skills with safety in chopping, dicing and mincing). The menus are planned but there's room for creativity and fresh ideas! Be challenged to take a basket of mystery ingredients and turn them into delicious dishes. Use everyday ingredients and turn them into Spanish Tapas, Italian, Mexican and other international fare. Judges are looking for creativity, presentation, safety, teamwork, and taste. We continue to work on knife skills with more time at the cutting board and explore more ways to improve cooking techniques in the kitchen. We eat what we cook, so bring your appetite! For this culinary experience, you receive an apron, mixing bowl and spatula to take home. Recipes supplied.

Seeking teens 13-16 years old who

- are proactive and take initiative.
- possess a positive attitude and cooperative spirit.
- have a genuine interest in working with children and developing leadership skills.

Program Description

Looking for a meaningful summer experience? The Junior Counselor Corps is a great opportunity for teens to develop leadership and communication skills while serving as positive role models for young campers. Under the supervision and direction of experienced staff, Junior Counselors (JC) assist with activities, interact with campers and provide general support for summer camps. The program runs for 7 weeks. JCs can choose from a variety of camp options and can register for up to 7 weeks. Corps members must attend an orientation session and receive two camp shirts, the JC handbook and certificate of participation.

Program Fees

New Junior Counselor Registration	\$40*
Returning Junior Counselor Registration	\$40
Weekly Camp Sessions	\$35/session

*Registration fee refunded if applicant not accepted into program.

Camp Options

Junior Counselors can choose from a variety of camp programs that operate in locations throughout Howard County. JCs may choose to participate from 1 up to all 7 weekly sessions, based on availability. Camp selection is on a first-come, first-served basis.

Weekly session dates

Jun 20	Jul 4	Jul 18	Aug 1
Jun 27	Jul 11	Jul 25	

Orientation

Orientation is scheduled for Saturday, June 4, 2016 at North Laurel Community Center. Attendance is mandatory for both new and returning Junior Counselors.

Play-Well TEKnologies Camp helps you create robots and more!

NEW! Engineering for Kids:

LEGO Robotics - Ocean Missions

7-11 yrs / 1 wk, start dates below / \$189

Come design and program robots to protect the ocean and ocean life by releasing a dolphin into the ocean, fixing a broken pipeline, and maintaining an oil platform. Enjoy using LEGO Robotics and computers to learn principles of robotics, computer programming, and teamwork. Engineering for Kids believes children are natural engineers, and we inspire to create the next generation of Engineers! Pair with *LEGO Robotics: Robot Surgeons* to make a full-day camp and get a supervised lunch hour for free. Bring a nut-free lunch and reusable water bottle.

LEGO Robotics EV3 - daVinci Designs

7-11 yrs / 1 wk, start dates below / \$189

Using the LEGO EV3 platform, build and program robots to complete different tasks each day! Approach the designs of Leonardo daVinci, taking a unique perspective by applying robotics principles using the LEGO EV3 platform to the challenges daVinci faced. Create a launcher, then apply the principles of kinetic energy and friction to make a glider fly. Use robots to automate drawing tasks to efficiently reproduce the daVinci's artistic designs while learning about mass production and printing presses. Lessons include: Water Well, Gear Glider, Mona Lisa EVolv3d and more! Pair with *EV3 Envirobots* for week of Jun 20 or with *EV3 Rescue Robots* for week of Jul 18 to make a full-day camp and get a supervised lunch hour from noon-1 PM. Concussion Information

www.howardcountymd.gov/concussion

What is a concussion?

A concussion is a type of brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head. Concussions can also occur from a blow to the body that causes the head and brain to move rapidly back and forth. Even what seems to be a mild blow to the head can be serious.

What are some warning signs of a concussion? — For Immediate Attention Call 911

Signs Observed by a Parent/Guardian

- Appears dazed or stunned
- Is confused about assignment or position
- Forgets sports plays
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows behavior or personality changes
- Can't recall events prior to hit or fall
- Can't recall events after hit or fall

Signs Reported by the Athlete

- Headache or "pressure" in the head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Sensitivity to light
- Sensitivity to noise
- Feeling sluggish, hazy, or groggy
- Concentration or memory problems
- Confusion
- Does not "feel right"

What should you do if you think a concussion has occurred?

1. Seek medical attention right away.

A health care professional will be able to decide how serious the concussion is and when it is safe to return to play.

2. Legally, you must keep your child out of play until medically cleared by a qualified health care provider.

Concussions take time to heal. Don't let your child return to play until a health care professional says it's ok. Children who return to play too soon, while the brain is still healing, risk a greater chance of having a second concussion. Second or later concussions can be very serious. They can cause permanent brain damage, affecting your child for a lifetime.

3. Inform all coaches about any recent concussions.

Coaches should know if your child has had a recent concussion. Your child's coach may not know about a concussion your child received in another sport or activity unless you tell them.

4. Help your child return to sports safely after a concussion.

As symptoms decrease, the extra help or support can be removed gradually. Children and teens who return to activities after a concussion may need to

- Take rest breaks as needed
- Spend fewer hours at activities
- If in doubt, sit it out!

Consider getting a baseline test performed before a concussion occurs.

Righttime Medical Care, HeadFirst Sports Injury and Concussion Care is an innovative community program for young athletes, their families, physicians, coaches and athletic trainers in the education and evaluation of concussions, baseline testing and navigation to appropriate care in the unfortunate event a young athlete sustains a Traumatic Brain Injury.

One tool that assesses the symptoms of concussion is the ImPACT (Immediate Post Concussion Assessment and Cognitive Testing) test. ImPACT is a computerized exam that measures cognitive brain function and reaction time of athletes 10 years of age and older. It can be administered to student athletes before an injury occurs to assess pre-injury cognitive function and reaction time. It's also used to measure the impact a concussion has on areas of brain function after an injury. Essentially, the ImPACT test is a preseason physical of the brain.

HeadFirst offers ImPACT baseline testing. This non-invasive test is set up in "video-game" style and takes about 25 minutes to complete. Righttime Medical Care's HeadFirst program also offers free baseline tests to athletes ages 10 & up who currently participate in Howard County Recreation & Parks programs. ImPACT testing is offered by appointment at the following locations. Info/appointment: 888-808-6483 or www.myheadfirst.com.

Sudden Cardiac Arrest

www.howardcountymd.gov/suddencardiacarrest

What is Sudden Cardiac Arrest?

Sudden Cardiac Arrest (SCA) is a potentially fatal condition in which the heart suddenly and unexpectedly stops beating. When this happens, blood stops flowing to the brain and other vital organs. Student athletes' risk of SCA is nearly four times that of non-athletes due to increased demands on the heart during exercise. SCA is caused by several structural and electrical diseases of the heart. These conditions predispose an individual to have an abnormal rhythm that can be fatal if not treated within a few minutes. Most conditions responsible for SCA in children are inherited, which means the tendency to have these conditions is passed from parents to children through the genes. Other possible causes of SCA are a sudden blunt non-penetrating blow to the chest and the use of recreational or performance-enhancing drugs and/or energy drinks.

Warning Signs of SCA

- SCA strikes immediately.
- SCA should be suspected in any athlete who has collapsed and is unresponsive.
 - No response to tapping on shoulders
 - Does nothing when asked if he/she is OK
- No pulse

Emergency Response to SCA

- Act immediately; time is most critical to increase survival rates.
- Recognize SCA.
- Call 911 immediately and activate EMS.
- Administer CPR.
- Use Automatic External Defibrillator (AED).

Warning Signs of Potential Heart Issues: The following need to be further evaluated by your primary care provider.

Risk of Inaction: Ignoring such symptoms and continuing to play could be catastrophic and result in sudden cardiac death. Taking these warning symptoms seriously and seeking timely appropriate medical care can prevent serious and possibly fatal consequences.

- Family history of heart disease/cardiac arrest
- Fainting, a seizure, or convulsions during physical activity
- Fainting or a seizure from emotional excitement, emotional distress, or being startled
- Dizziness or lightheadedness, especially during exertion
- Exercise-induced chest pain
- Palpitations: awareness of the heart beating, especially if associated with other symptoms such as dizziness
- Extreme tiredness or shortness of breath associated with exercise
- History of high blood pressure

How Can We Minimize The Risk of SCA & Improve Outcomes?

The risk of SCA in student athletes can be minimized by providing appropriate prevention, recognition and treatment strategies. One way to minimize risk is through an annual pre-participation screening evaluation, often called a sports physical, performed by the athlete's medical provider.

1. There is a "Pre-Participation Physical Evaluation Form" available at <http://www.mpssaa.org/healthandsafety/forms.asp>.
2. Since the majority of these conditions are inherited, be aware of your family history, especially if any close family member:
 - a. had sudden unexplained and unexpected death before the age of 50.
 - b. was diagnosed with any of the heart conditions listed above.
 - c. died suddenly/unexpectedly during physical activity, during a seizure, from Sudden Infant Death Syndrome (SIDS) or from drowning.
3. Take seriously the warning signs and symptoms of SCA. Athletes should notify their parents, coaches, or school nurses if they experience any of these warning signs or symptoms.
4. Schools in Maryland have AED policies and emergency preparedness plans to address SCA and other emergencies in schools. Be aware of your school's various preventive measures.
5. If a cardiovascular disorder is suspected or diagnosed based on the comprehensive pre-participation screening evaluation, a referral to a child heart specialist or pediatric cardiologist is crucial. Such athletes should stop playing sports pending further evaluation and clearance by their medical providers.

Football Youth and Advanced Camp

7-16 yrs / 1 wk starting Jul 11 / \$150

This non-contact football camp prepares players for tackle football in a positive and safe learning environment. Camps cover passing, receiving, blocking, tackling (dummies), kicking, offensive/defensive line play and coordination drills to get ready for fall football. Participate in daily run-and-shoot touch (non-contact) games. This is one of our most popular camps. Our Advanced Camp provides comprehensive tackle techniques that challenge experience players and effectively introduces newcomers to the game. Focus is on reinforcing fundamental skills while learning to improve your game. Conditioning and coordination drills help players explode out of their stance with proper technique and improved speed. Kickers and punters get individual instruction on kicking techniques. Camps are directed and instructed by the Wilde Lake High School coaching staff, which has won six Maryland state championships. Limited financial assistance is available for Howard County residents who qualify. ♦ Extend your day to 6 PM with *HC Summer Mix Camp* on page 13. The Howard County Department of Recreation & Parks offers programming for individuals with disabilities in a variety of categories. The Department encourages individuals with disabilities to register for general recreation programs. The Department will make reasonable accommodations to facilitate the participation of an individual with a disability in any of our programs. The Therapeutic Recreation (TR) section follows a procedure for providing these accommodations. It uses the Community Recreation Assessment and Accommodation Plan to provide Recreation & Parks staff with an understanding of the accommodation being made as well as disability awareness information.

- The request for accommodations takes place at the time of registration. If registering by phone or in person, you will be asked if you or your family member require special accommodations. This is a "yes" or "no" response. If you choose to provide additional information, the staff member will note this in the online notes that are visible to staff.
- During the online registration you will come to an area that offers the following custom question: "Does the participant have an allergy, disability or any special accommodation request that we need to know about?" If you are requesting an accommodation, the answer should be "yes," and if not, "no." You will also be given an optional space to expand on your request in the notes section. This is viewed only by staff.
- For a fax registration form, you will notice a box for accommodations on the left. Check the appropriate areas and fax to 410-313-4660. A copy of the registration form or e-mail registration alert is forwarded to the Therapeutic Recreation Manager and Coordinator.

Enjoy various recreation and leisure activities at our T.R.I.O. camp this summer!

- For transportation with HT Ride Paratransit Certification contact: 1-800-270-9553.

Inclusion/Accommodations may include but are not limited to the following:

- a) training provided for program and inclusion support staff;
- b) an increase (not guaranteed) in staff/participant ratio (two weeks advance notice);
- c) sign language interpretation for the deaf and hard of hearing;
- d) adaptive activity equipment and/or supplies;
- e) assistance in the provision of health services that do not require medical training; and
- f) financial assistance.

Accessibility Inclusion/Accommodations services don't include:

- a) providing a separate area or alternate activities for a significant portion (more than 25%) of the scheduled structured program;
- b) exemptions of program rules and regulations regardless of ability or disability for the safety of all program participants and staff;
- c) guarantee of specific staff for programs;
- d) individualized therapy within a program, or
- e) purchasing of personal custom devices.

General Information

Program information provided in this Guide is tentative. Consult www.howardcountymd.gov/rap for the most up-to-date information.

Registration

Program fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 5.

**Waiver:* In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the Organization and above named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any program or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility.

For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program.

Children must remain with the program for the full period scheduled. To leave before a day's program is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the program director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, **please be aware that our staff does not change diapers.**

Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

Canceled Programs

We don't like to cancel programs, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants will be contacted immediately and a full refund credited.

Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- verification of qualifying income level (2015 tax return required) or
- proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

Make a Donation

You can make a tax-deductible contribution to our Scholarship Fund by www.howardcountymd.gov or call 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

Refunds

We recognize that you may wish to withdraw from a camp for a variety of reasons, but we encourage early decisions so as to not inconvenience other participants or affect our ability to efficiently deliver activities. Customers requesting a refund prior to two weeks before the camp starts will be given a full refund. Refunds requested within two weeks of the camp starting date will be charged a 20% administrative fee. Additional fees may be assessed to recover costs (shirts, supplies, equipment, etc.) associated with the program. There are no refunds given for missed camp days. Refund policy for therapeutic camps is on page 59.

Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor classes will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If it snows on a weekday and the snow emergency plan is in effect in Howard County, scheduled programs will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If it snows on a weekend and the snow emergency plan is in effect at 7 AM, programs held in public schools for that day will be canceled. If a snow emergency is declared after 7 AM, programs in schools in progress may be completed but those later in the day will be canceled.

- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.

Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

Rules of Conduct

The following rules must be observed while participating in Recreation & Parks programs. Specific rules may be added for individual programs and needs.

- No food or beverages in unauthorized areas; glass containers are prohibited.
- No smoking in buildings or on school property.
- No soliciting or loitering.
- No interference with employee or volunteer duties.
- No harassment or inappropriate or indecent conduct or language.
- No unauthorized use of drugs, intoxicants or weapons.
- No parking in unauthorized areas or driving/parking on field areas.
- No alteration or installation of equipment (eg. basketball hoops, fences.)
- No defacing of property, indoors or outdoors.
- No conduct that may jeopardize the safety of others.

Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (A.D.A.) regulations.

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed. We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided to Howard County residents at no additional cost. To assure the best experience for all participants, we need your accommodation request

along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or spotts@howardcountymd.gov or Ruth Coleman at 410-313-4708 or rucoleman@howardcountymd.gov.

Other Policies

Additionally, the Department reserves the right

- to cancel a program for any reasonable cause;
- to deny registration or entry into a program when it deems necessary to assure public safety;
- to suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- to photograph programs, participants and volunteers for publicity purposes; and/or
- to adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.

Public Meetings

For information about Howard County Recreation & Parks Board meetings, call 410-313-4640. Your comments are welcome at these sessions. Park Board members are Dr. Joel Goodman (Chair), Ms. Cynthia Vaillancourt (Board of Education Designee), Mr. David Brown (Board of Education), Mr. William Santos (Planning Board Designee), Mr. Michael Smith (Student Member), Mr. John R. Byrd (Recording Secretary), Ms. Barbara Anderson, Mr. Thomas M. Franklin, Ms. Joanne Kiebler, Ms. Sylvia Ramsey, Mr. Daniel Tracy, Jr.

Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department, as well as a listing of jobs within Howard County Government, visit www.howardcountymd.gov and click on the "I want to" tab.

The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit www.howardcountymd.gov/ContractorApplication.pdf or call 410-313-4639.

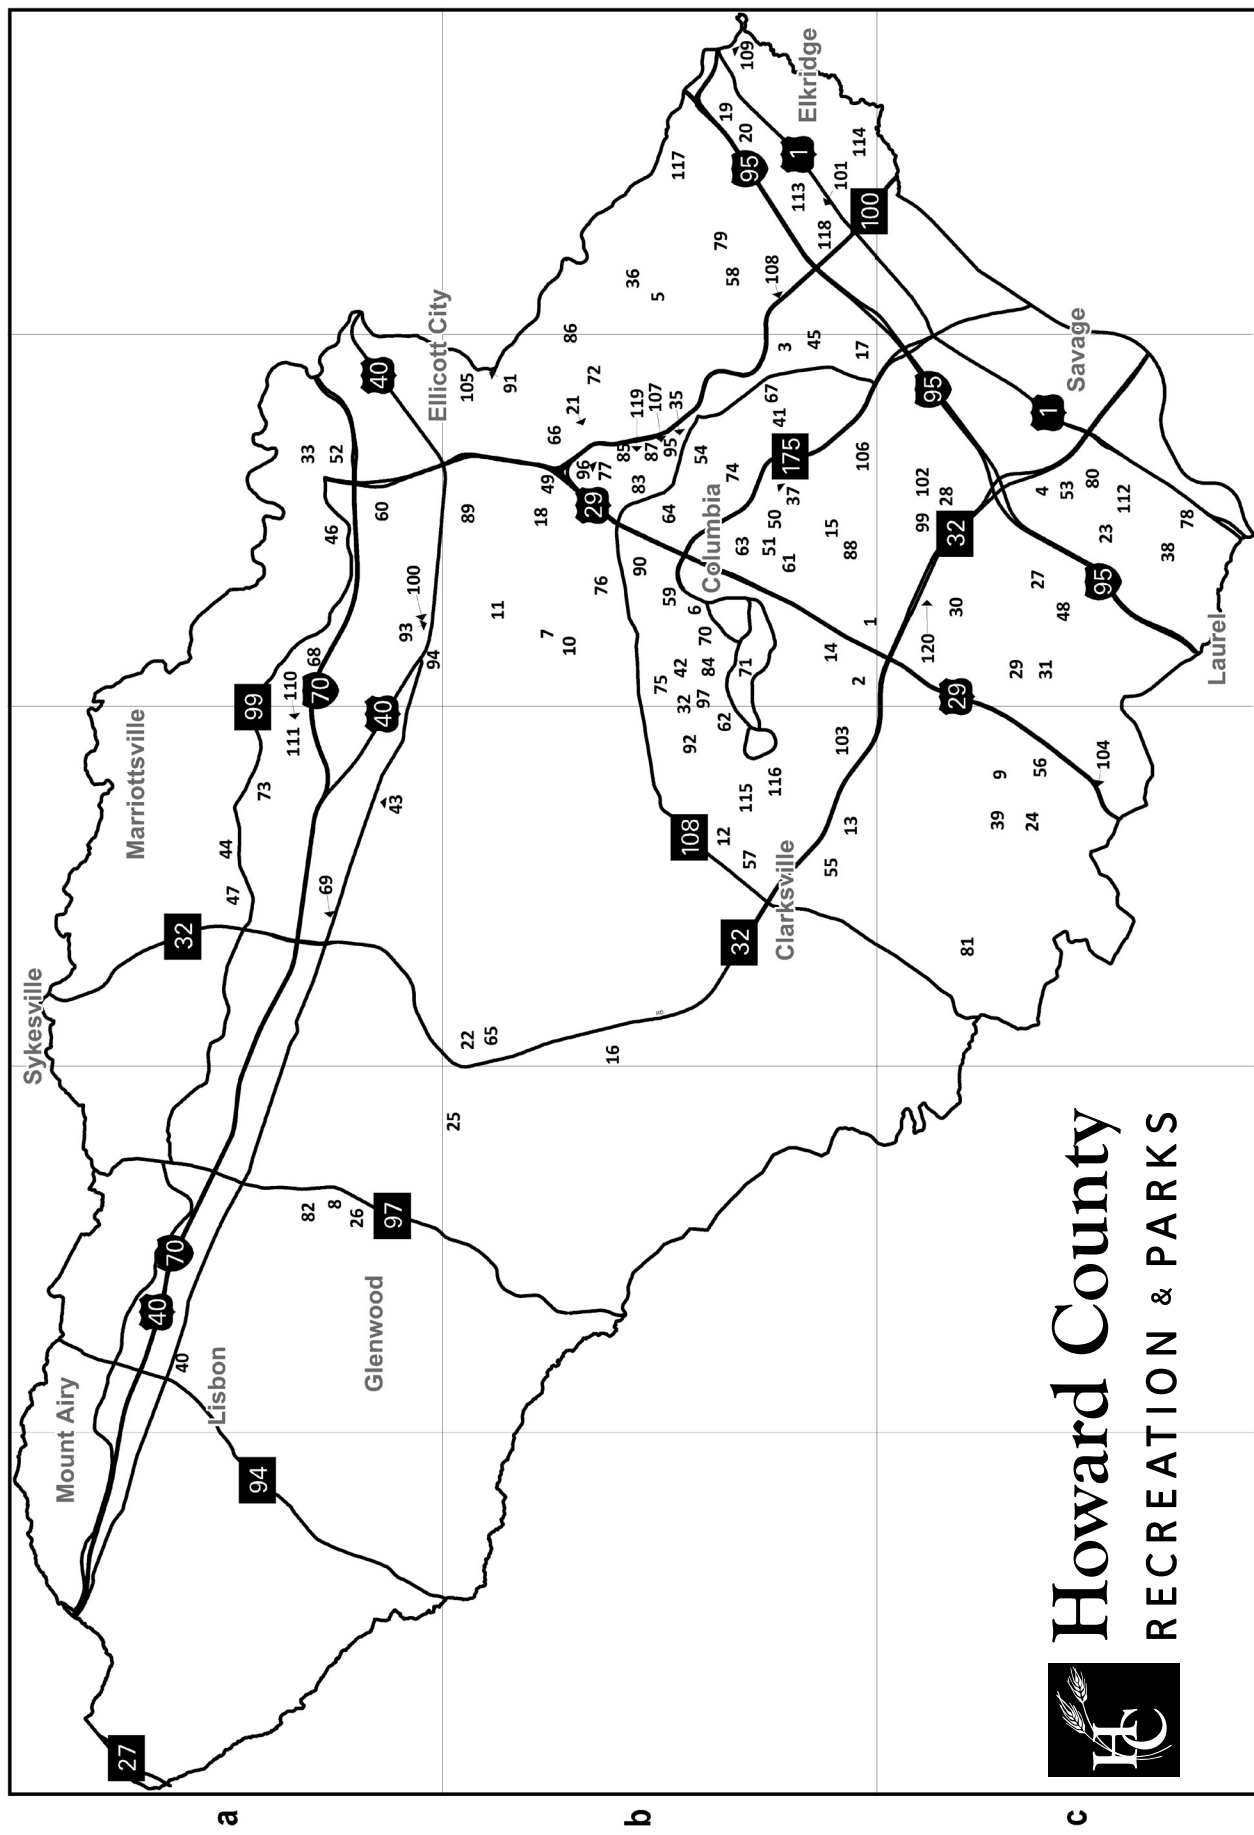

Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you'd like to share your time and talent, visit www.hocovolunteer.org to view opportunities and register.

Sponsorships

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising. For sports, outdoor and fitness sponsorships, call Al Harden at 410-313-4652. For special events or other recreation sponsorships, call Phil Bryan at 410-313-1668. For Nature Center sponsorships, contact Pamela Reese at 410-313-0673.
